COUNTY OF LOS ANGELES

4 November 27, 2012

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**2011-12 FISCAL YEAR-END REPORT FOR THE LIBRARY
FACILITIES MITIGATION FEE FUNDS AND
UPDATED CAPITAL IMPROVEMENT PLAN FOR PUBLIC LIBRARY FACILITIES
(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

SUBJECT

The Public Library is recommending that the Board of Supervisors receive and file the fiscal year-end report of transactions for the library facilities mitigation fee funds and adopt the resolution updating the capital improvement plan for public library facilities.

IT IS RECOMMENDED THAT THE BOARD AFTER THE PUBLIC HEARING,

- 1) Receive and file the attached Fiscal Year-End Report of transactions for the Library Facilities Mitigation Fee Funds for Fiscal Year 2011-12.
- 2) Adopt the attached resolution updating the Capital Improvement Plan for Public Library Facilities as of September 30, 2012.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On October 27, 1998, the Board adopted an ordinance establishing a library facilities mitigation fee (developer fee) and was codified as Chapter 22.72 of the Los Angeles County Code. The developer fee program took effect on December 26, 1998, and was implemented in all unincorporated communities served by the County Public Library. A separate fund was established for each of the Public Library's seven planning areas.

-- Fiscal Year-End Report

California Government Code Section 66006 requires that, within 180 days after the last day of each fiscal year, the County make available to the public specific information for each separate account or fund established for development fees collected. The required information is provided in the attached Fiscal Year-End Report for Library Facilities Mitigation Fee Funds for the fiscal year which ended on June 30, 2012.

-- Capital Improvement Plan

California Government Code Section 66002 requires the County to update annually a capital improvement plan and adopt the plan by a resolution of the Board at a noticed public hearing. The resolution and updated Capital Improvement Plan for Public Library Facilities are attached.

Implementation of Strategic Plan Goals

Approval of the recommended actions is consistent with the County's Strategic Plan Goals in the areas of Operational Effectiveness (1) and Community and Municipal Services (3).

FISCAL IMPACT/FINANCING

The developer fee program is not a net County cost program. The expenditures charged to each fund include costs incurred for general developer fee program administration and direct costs related to the library facilities projects indicated in the attached year-end report. The costs of general developer fee program administration are prorated and charged to each fund account in accordance with the report adopted by the Board on October 27, 1998 when the fee program was established.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

California Government Code Section 66006, Procedures for Development Fees Collected, requires the County to make available to the public information for each separate account or fund regarding the type of fee; the amount of the fee; the beginning and ending balance; the amount of fees collected and interest earned; public improvements on which fees were expended and the amount of the expenditures; the approximate date by which construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement; a description of each interfund transfer or loan made from the account or fund; and the amount of any refunds made. The attached year-end report reflects the public information required by California Government Code Section 66006.

California Government Code Section 66002, Capital Improvement Plan requires the County to update the Capital Improvement Plan, which shall indicate the approximate location, size, time of availability, and estimates of cost for all facilities or improvements to be financed with the fees. Attached is the updated Capital Improvement Plan as required by California Government Code Section 66002.

Notice of the public hearing was given pursuant to California Government Code Section 65090.

The attached resolution was approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The Public Library strives to provide its customers with strong service and adequate facilities. The developer fee program provides revenue to assist the Public Library in meeting the needs of a growing population in the unincorporated areas of the County by planning and constructing new library facilities and enhancing existing library facilities.

Respectfully submitted,

**RESOLUTION OF THE BOARD OF SUPERVISORS
FOR ADOPTING THE UPDATED CAPITAL IMPROVEMENT PLAN FOR PUBLIC LIBRARY FACILITIES
TO BE FINANCED WITH LIBRARY FACILITIES MITIGATION FEES**

WHEREAS, population growth associated with new residential development in unincorporated areas of the County results in a demand for public library facilities in excess of the existing capacity of the County Public Library, and the County of Los Angeles General Plan and other provisions of law require such development impact to be mitigated; and

WHEREAS, existing and future sources of revenue are inadequate to fund substantial portions of the County Public Library facilities needed to avoid unacceptable service levels and related adverse impacts; and

WHEREAS, on October 27, 1998, the County Librarian filed with this Board a report recommending the establishment of a library facilities mitigation fee to generate additional funds to provide public library facilities to accommodate the library needs generated by such development. At that time, the Board adopted a capital improvement plan for public library facilities to be financed with the fee; and

WHEREAS, the capital improvement plan indicates the approximate locations, sizes, time of availability and cost estimates for all facilities to be financed with the library facilities mitigation fee, in compliance with the requirements of the Mitigation Fee Act, Government Code Section 66000 et seq.; and

WHEREAS, the County of Los Angeles is required to update the capital improvement plan for public library facilities in accordance with the Mitigation Fee Act, Government Code Section 66002 et seq.; and

WHEREAS, notice of a public hearing regarding adoption of such updated capital improvement plan was given as required by law; and

WHEREAS, on November 27, 2012, the Board held a public hearing at which the Board considered the adoption of an updated capital improvement plan for public library facilities to be financed with the library facilities mitigation fee; and

WHEREAS, at the public hearing all interested persons were given an opportunity to appear and be heard; the Board considered the testimony of all interested persons for or against the adoption of the updated capital improvement plan for public library facilities; evidence was presented to the Board on the matters before it; and at the conclusion of the hearing the Board was fully advised on these matters and was authorized to proceed as hereinafter provided; and

WHEREAS, on the basis of all of the foregoing, the Board has determined at this time to adopt the updated capital improvement plan for public library facilities dated September 30, 2012, as amended at the public hearing; and

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors hereby adopts the updated capital improvement plan for public library facilities dated September 30, 2012, as amended.

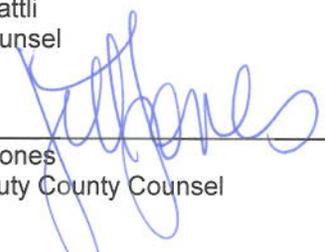

The foregoing resolution was, on the 27th day of November, 2012, adopted by the Board of Supervisors of the County of Los Angeles and ex officio the governing body of all other special assessment and taxing districts, agencies and authorities for which said Board so acts.
